Good morning,

Could you go ahead and send me courtesy copies of the submission documents? I know you already sent the cover letter and application form so you don't need to send those again.

Thank you,  
Emily

Thanks Steven. I don't need them yet but I haven't gotten any instructions yet on how to proceed. I'll let you know if we need courtesy copies of anything.

Best regards,  
Emily

Hi Emily,

Thanks for the insight regarding the front end. We did get notification that the PSP package (New Product Registration: Alternate Brand Name XtendiMax With VaporGrip) for BAYER CROP SCIENCE LP (264) was successfully transmitted to OPP (Sec3-New-000001: CDX\_2020\_006920). Anyway, if it helps, I can send you the label and data matrix that were submitted.

Have a great week!  
Best,  
Steven

Hi Steven,

Thank you for the heads up. I'll watch for it. However, it is currently taking our front end processing a long time to get actions to us.

Best regards,  
Emily

Hi Emily,

Bayer Crop Science (EPA Company Number 264) is providing here a courtesy copy of the 8570-1 form and cover letter that was submitted today through the electronic portal along with other documents for a new product registration for M1768 Herbicide (XtendiMax® With VaporGrip® Technology). The Package ID is **EP-844485** and the CDX confirmation code is **CDX\_2020\_006920**. This was submitted under PRIA category R320, "New product; new physical form; requires data review in science divisions."

Please reach out to me or George Sabbagh if you have any questions or concerns.

Have a great long Independence Day weekend!

Sincerely,

Steven
